

Who is Bill?

Bill is a \$1 bill making its way to all 14 Vermont Counties, one rural Library at a time, one in each county. The project aims to bring awareness of small rural Libraries and their value to the communities they serve. Bill has traveled over 500 miles and is in the home stretch of his journey. When he returns home to Rupert, the Rupert Kittay Library hopes to print a record of his journey with host Libraries history and photos of his hosts' facilities and community. This project began in the spring of 2021 as a way of easing the stress and anxiety of emerging from the pandemic which had a serious impact on small Libraries. It is a little relief from the worries and problems of reorganizing as we emerge from Covid-19. In order to be able to provide anyone access to the publication we intend to start the printing phase as soon as Bill is home.

We hope you will consider supporting the Librarys' efforts by contributing in any amount to help "Travels with Bill" make it to bookshelves throughout Vermont communities.

Stop by the Rupert Kittay Library for more information on how to contribute to help Bill and see the places he has visited and friends he has made!
